CALEDONIA SOCIAL CARE LIMITED

CHAIRMAN'S STATEMENT FOR THE YEAR ENDED 31 MARCH 2025

Caledonia Social Care Ltd. (CSC Ltd.) is a social enterprise and an employee-owned company, which delivers care at home services across West and Central Scotland.

CSC Ltd is primarily owned by employees, therefore, our staff have a vested interest in the success of their company. Our business is passionate about enabling people to live longer, independent and healthier lives at home with all of our support tailored to the needs of our clients.

The board of CSC Ltd is proud of the impact our support has had on the lives of people accessing our services and their families throughout 2024/2025; our high quality and person-centred service enables each individual to live independently in their own home and to remain connected to their local community.

CSC Ltd is pleased with its growing reputation, which is evidenced in the high satisfaction levels amongst people accessing our service and the outstanding grades we achieve with the Care Inspectorate.

In tandem with delivering high quality and well-respected support, the board of CSC Ltd believes it is vital that our business continues to focus on the sustainability and development of our services. This approach has enabled our financial health to improve over recent years and the (negligible) loss in the 2024/2025 financial statements is evidence of that.

This approach is of added importance given the ongoing challenges experienced by the social care sector, such as: a lack of funding, high turnover of services and a recruitment crisis, as well as rising National Insurance contributions which, we anticipate, will place added pressures on our business.

To conclude, our board would like to thank our committed staff team, our clients and their families, as well as our commissioners and stakeholders for their strong support over the past year.

This has contributed greatly to the sustainability of our business; we look forward to strengthening this further and to working collaboratively with our partners in the coming years.

Mr David Mason
